WELCOME TO COCAINE ANONYMOUS.

We are all here for the same reason—our inability to stop using cocaine and all other mind-altering substances. The first step towards solving any problem is admitting that there is a problem. The problem, as we see it, consists of an obsession of the mind and an allergy of the body. The obsession is a continued and irresistible thought of cocaine and the next high. Once we have given in to this thought, our bodies take over. The allergy creates an absolute inability to stop using once we begin. Addiction is not a moral issue. Addiction is a disease—a disease that kills. We wish to assure you that there is a solution, and that recovery is possible. It begins with complete abstinence from cocaine and all other mind-altering substances. It continues with practicing C.A.'s Twelve Steps of Recovery, one day at a time..... Cocaine and other mind-altering substances helped us escape from ourselves; they altered our perception of reality. They helped us cover up, avoid, and deaden our feelings. As we get clean and sober, our feelings begin to surface. Recovery can be challenging, but with help, we find our lives get better one day at a time. When we attended our first C.A. meeting, we knew deep down inside that cocaine, alcohol and/or other drugs had become a problem in our lives. Acknowledging this was just the beginning. This is where the program of Cocaine Anonymous provides a solution. We begin by surrendering and working the Twelve Steps of Cocaine Anonymous.

Fall 2026

Cocaine Anonymous is a fellowship of men and women who share their experience, strength and hope with each other, that they may solve their common problem and help others to recover from their addiction. The only requirement for membership is a desire to stop using cocaine and all other mind-altering substances. There are no dues or fees for membership, we are fully self-supporting through our own contributions. We are not allied with any sect denomination, politics, organization, or institution. We do not wish to engage in any controversy, and we neither endorse nor oppose any causes. Our primary purpose is to stay free from cocaine and all other mind-altering substances, and to help others achieve the same freedom.
